Roles and Responsibilities

Academic Leadership:

- Support the development of research areas in International Relations and related fields.
- Assist in the implementation of the vision and strategic plan for academic programs.
- Engage in original research and contribute to knowledge advancement in International Relations with a focus on India's global impact.
- Collaborate with faculty to enhance teaching and research standards.

About the Chair on International Relations

The Chair on International Relations, established under the School of Law, Governance & Public Policy at Chanakya University, aims to lead agenda-setting research on major sub-domains, thematic topics, regions, and methods in Indo-Pacific and beyond. It seeks to create a unique knowledge base of evidence-based research to invigorate India's rising trajectory in international affairs. By shaping India's point of view on emerging global priorities, the chair intends to build a foundation for the nation's new role drawing effectively on our civilisational heritage, historical experiences, strategic location, geography, demography and economy.
