

**CHANAKYA
UNIVERSITY**

International Student Exchange Fact Sheet (2026–2027)

Chanakya University is a multidisciplinary institution committed to academic excellence, ethical leadership, and global engagement. The University integrates contemporary scholarship with India’s intellectual traditions, fostering interdisciplinary learning and research across sciences, engineering, humanities, law, public policy, and management.

Located at Bengaluru/Bangalore, India’s leading technology and innovation hub, the University provides students with strong academic foundations, industry exposure, and opportunities for cross-cultural engagement.

Academic Information

Course Load

Full-time exchange students can register for coursework based on their requirements and get approval from home university.

Language of Instruction

All academic programs are delivered in **English** (except language-specific courses). Students should possess sufficient proficiency to participate in lectures and assessments. No formal English certificate is mandatory.

Course Catalogue

The University offers over **200 undergraduate and postgraduate courses** across disciplines. Updated course lists are shared annually with partner institutions for academic planning.

[Link to the courses offered will be provided.](#)

Exchange students are expected to enrol in courses corresponding to their level of study. In exceptional cases, cross-level enrolment may be approved subject to academic review.

Required Documentation

Students must submit:

- Copy of valid passport
- Proof of enrolment from home institution
- Academic transcripts
- Health insurance documentation

Students with special medical needs must provide relevant medical documentation, including information regarding allergies or specific requirements.

Insurance Requirements

Students must obtain comprehensive private insurance coverage valid in India, including:

- Medical coverage (accident and illness)
- Travel insurance (including baggage loss/damage)
- Liability insurance
- Accident and critical illness coverage
- Repatriation coverage in case of emergency

Accommodation & Campus Living

Dining Facilities

The dining spaces at Chanakya University serve as welcoming community hubs that offer nutritious and diverse meal options. Designed to cater to varied tastes, they provide comfortable environments for students to dine, interact, and relax. With an emphasis on quality, hygiene, and sustainability, the dining facilities support healthy living and campus engagement. Food Court serves breakfast, lunch, evening snacks and dinner- either pay as you go or monthly basis. We also have daytime canteen for breakfast/snacks and lunch.

Campus Life & Student Engagement

Chanakya University fosters a vibrant and inclusive campus culture. Exchange students are encouraged to participate in:

- Cultural festivals and workshops
- Theatre, music, dance, and literary activities
- Public speaking and debate forums
- Sustainability and social impact initiatives
- Entrepreneurship and innovation clubs

With more than 20 active student clubs, learners can pursue diverse interests.

Sports & Wellness Facilities

Students have access to:

- Cricket, football, basketball, volleyball
- Badminton and table tennis
- Yoga and fitness facilities

Regular tournaments and fitness programs promote a balanced academic experience.

- **Semester II Transcripts:** June–July 2027 (Tentative)

Official issuance timelines are subject to administrative schedules.

Visa Requirements

All exchange students must obtain a valid **Student Visa** prior to arrival in India. Students should consult the nearest Indian Embassy or Consulate for updated guidelines regarding documentation and processing timelines.

The Global Engagement Office provides administrative support and necessary documentation for visa processing.

Chanakya Global Summer School Programme (CGSSP)

It is a **two-week immersive academic and cultural experience** designed for international students who want to explore India's diverse heritage, contemporary dynamics, and global perspectives. Participants gain **6 ECTS credits** through a blend of classroom learning, experiential activities, cultural immersion, and guided excursions.

Dates: 4 – 18 July 2026 | **Location:** Chanakya University Campus

Fee: USD 950

(covers tuition, accommodation, meals, cultural activities, excursions, and airport transfers)

Application Deadline: 30 May 2026

Programme Highlights

- Engage in interactive classroom sessions introducing India's history, culture, society, and contemporary issues.
- Participate in cultural immersion activities and local excursions that deepen intercultural understanding.
- Choose a **specialised pathway** during the second week to develop focused skills and insights.

Pathway Options

Health & Wellbeing from Yoga & Ayurveda – Principles of Yoga, Ayurvedic nutrition, and wellness practices.

Startup Ecosystem – Design thinking, entrepreneurship, interaction with founders and investors.

Sustainability – Sustainable living, renewable energy, climate action solutions.

Why Join?

- **Academic enrichment** with credit-earning coursework.
- **Cross-cultural experience** in one of India's most vibrant, international cities.
- **Experiential learning** that connects classroom knowledge with real-world contexts.
- **Global networking** with peers, faculty, and practitioners across disciplines.
